Dear Mr. Ott:

On behalf of I Corps and Fort Lewis, I would like to thank you for taking the time to mentor and inspire our students.

Your story of success and perseverance in the face of immense odds is an inspiration to us all. By imparting your story to our students, you show them that success cannot be enjoyed without first overcoming hardship.

At Fort Lewis, our students and their families are our greatest resource. Thank you again for showing them the power of the human spirit.

Sincerely,

**Charles H. Jacoby Jr.
Lieutenant General, US Army**
